PREAMBLE

Since time immemorial, the Yuulu?il?ath have, in accordance with our customs and traditions including potlatches and other ceremonies, redistributed wealth amongst our peoples and our neighbours. In modern times, taxation is another form of wealth redistribution, whereby government raises revenues to be used in providing programs and services to all citizens. The Maa-nulth Treaty recognizes the Yuulu?il?ath Government's lawmaking authority for taxation of its citizens within its lands as well as non-citizens by agreement with Canada or British Columbia. The Yuulu?il?ath Government and Canada have entered into a Tax Administration Agreement concerning the administration of a Yuulu?il?ath Government Goods and Services Tax, as is required before the Yuulu?il?ath government enacts a law that imposes a tax fully harmonized with the federal Goods and Services Tax (GST) that applies in respect of persons on Yuulu?il?ath Lands. It is in the best interests of the Yuulu?il?ath Government to implement the Yuulu?il?ath Government Goods and Services Tax, and to enable Canada to administer and enforce the tax on behalf of the Yuulu?il?ath Government, in accordance with the Tax Administration Agreement. This Act is enacted to achieve that goal.
