

Yuułuʔiłʔatḥ Government Statement for Release

May 10, 2021

Yuułuʔiłʔatḥ,

While we expect a full report to be submitted to the Yuułuʔiłʔatḥ Government from the Independent Investigations Office of BC, in due time, we turn to a state of healing for the community of hitaču.

Yuułuʔiłʔatḥ Government Culture & Heritage Department have thoughtfully put together Community Cleansing for Friday, May 14. Citizens, please book by contacting Samantha Touchie, Culture & Heritage Assistant, samantha.souchie@ufn.ca or by phone (250)725-8700.

Sessions will be private, please prepare yourself before the cleanse.

We again acknowledge the delay for an official Yuułuʔiłʔatḥ Government Statement; however, an investigative process can be lengthy, and we are waiting upon important details of Saturday's incident.

We thank everyone for their continued patience.

Sincerely,

Yuułuʔiłʔatḥ Government – Ucluelet First Nation
