PREAMBLE

The Yuułu?i?ath government assumes the responsibility of providing measures to protect our lands and to protect our citizens, particularly our children and the vulnerable.

Under 13.25.1 of Chapter 13 Governance of the Maa-nulth Treaty, the Yuułu?i?ath government is recognized with the authority to enact laws in respect of the regulation, control or prohibition of any actions, activities or undertakings on Yuułu?i?ath lands that constitute, or may constitute, a threat to public order, peace or safety. Section 1.3(g) of the Constitution affirms each Yuułu?i?ath citizen's right to a healthy life, which includes a life free from the fear of violence and threats of violence, both to his or her person or their property, whether it is from violent crime, exposure to illegal substances or sexual exploitation or abuse.

The Yuułu?i?ath government recognizes its obligations under 5.4.1 of Chapter 5 Access of the Maa-nulth Treaty to provide reasonable public access to Yuułu?i?ath public lands for temporary recreational uses and temporary noncommercial purposes. The Yuułu?i?ath government also recognizes the right of Yuułu?i?ath citizens under section 1.3(j) of the Yuułu?i?ath Constitution to access Yuułu?i?ath lands in accordance with Yuułu?i?ath laws.

These rights of access must be balanced with the rights of personal and public safety, as well as other rights and obligations, including preventing public nuisance, damage to property and protecting the environment. This balancing must be made in accordance with the Canadian Charter of Rights and Freedoms as recognized in 1.3.2 of Chapter 1 General Provisions of the Maa-nulth Treaty and the principles of fundamental justice, including due process.

The Yuułu?i?ath government adopts this Act based on these values and objectives.
