

hitacu tašii Multi-Use Trail Project

hitacu is getting pathways and sidewalks! Gwaii Engineering is working with the Assets Department to get your feedback on the hitacu tasii Multi-Use Trail Project. Below is a questionnaire for your input.

Please submit your feedback by Wednesday, December 14.

Email: communications@ufn.ca

Drop off: Cixwatin Centre Reception, attention Melissa Boucha

Our first Community Open House will be held on Wednesday, December 14 from 2:00pm to **5:00pm**. Drop in on your own time to speak with Gwaii Engineering, provide feedback (or bring this completed questionnaire) and learn more about the project!

Questionnaire

1. What is your main form of commuting? (Walking, driving, biking, skateboarding, etc.)

2. How often do you bike/walk/ride through hitacu without using a vehicle? (Daily, once a week, rarely, etc.)

3.	Have you ever felt unsafe due to vehicle traffic while travelling in hitacu? (yes/no, do you have an example?)
4.	Do you think having a sidewalk, bike lane, trail, or pathway along the roads in hitacu would be beneficial to the community? (yes/no, why?)
5.	If a pathway was built in hitacu, what do you think are some important aspects to consider?
6.	Do you think wayfinding signs along the road would benefit the community?
7.	Would you like to see Nuu-chah-nulth language incorporated into street/pathway signs?

8.	Would you like to see any additional infrastructure included along the roads in hitaċu? (Benches, signs, lights, etc.)
9.	Please provide any additional feedback regarding the proposed pathway project. All suggestions welcome.
	End Åeekoo for your time and input!
