MARINE SAFETY EQUIPMENT APPLICATION Personal Flotation Devices

The Yuutu?it?ath Government has received funding from Transport Canada's Marine Safety Equipment and Training Initiative. This program provides funding to Indigenous groups for equipment to enhance the safety of specific Indigenous vessels. Please note that vessels **must be operational** to receive the safety equipment.

Once completed in full, please submit this form, along with your **Certificate of Vessel Registration**, to Administrative Assistant of Lands & Resources, Catie Bateman. Email: catie.bateman@ufn.ca.
