PREAMBLE

Yuulu?il?ath asserts that, since time immemorial, we have lived on our lands as self-governing peoples with our own laws and governance systems. Despite the arrival of settlers on our lands we have preserved and protected our traditional territory and have continued to exist as a distinct, self-governing Nation.

In the past, the government of Canada has imposed rules for determining who is and who is not a member of Yuulu?il?ath. As part of our renewed self-government, Yuulu?il?ath reclaims our inherent right to determine our own citizenship and, in doing so, we pledge to honour who we are and where we have come from as a peoples.

To assist with realizing these goals, Yuulu?il?ath wishes to establish a citizenship law that sets out the criteria for Yuulu?il?ath citizenship and enrolment under the Maa-nulth Treaty and establishes rules and procedures aimed at ensuring those criteria are applied fairly and consistently to all individuals.

Yuulu?il?ath adopts this Act based on these values.
